About Crowdfunding

Crowdfunding is the practice of funding a project or venture by raising money from a large number of people who each contribute/donate a relatively small amount, typically via the internet.

"Musicians, filmmakers, and artists have successfully raised funds and fostered awareness through crowdfunding"

Crowdfunding is famously used for charitable initiatives. Businesses can take advantage of Crowdfunding Platforms As well.

Crowdfunding provides donors an easy way to fund projects and people that you genuinely believe in and care about.

Crowdfunding allows donors to donate small amounts in multiple ventures, thereby diversifying their portfolios and maximizing the chances of big payouts.

Donor should only donate capital as per their capacity and convenience. Never donate all money you have.

Vision & Core Values

To allow people to connect from around the world with one another thereby empowering the life of millions of individuals by providing financial help for A better life.

We want to bring world together without any currency barrier & border. We also aim to create a system for passive donations where no one is in control and the code does everything automatically.

Our core values are inspired by our desire to build the strongest leading crypto donation community by engaging people with the power of blockchain & cryptocurrency. We are driven by the desire to build a reliant community that has integrity and can be held accountable by our community.

Our goal is to make unitedfund world's No.1 donation reward community, creating projects that are supported by the community into successful ones.
